## Education

---

**Beihang University**

*Computer Science,*

Beihang Second Class Scholarship

**2013–2017**

*Bachelor*

## Projects

---

**tanX**

*A multiplayer online tank game written in C++*

[github.com/constroy/tanX](https://github.com/constroy/tanX)

**SPC**

*A simple PL/0 compiler written in C++*

[github.com/constroy/SPC](https://github.com/constroy/SPC)

**uOSPF**

*A simplified implementation of OSPF (an interior gateway protocol)*

[github.com/constroy/uOSPF](https://github.com/constroy/uOSPF)

## Awards

---

**2013:**

Beihang Collegiate Programming Contest (BCPC) Rank 4

**2014:**

Blue-bridge Cup National Programming Contest Second Prize

The ACM-ICPC Asia Regional Contest Anshan Site Bronze Medal

The ACM-ICPC Asia Regional Contest Xian Site Silver Medal

**2015:**

The ACM-ICPC Asia Regional Contest Changchun Site Silver Medal

The ACM-ICPC Asia Regional Contest Hefei Site Silver Medal

The ACM-ICPC Asia EC-Final Gold Medal

**2016:**

Google Distributed Code Jam 2016 Rank 205

## Skills

---

**Advanced:** Algorithm and data structure (C++)

**Intermediate:** Linux system and socket programming

**Basic:** Distributed or parallel computing algorithm

## Languages

---

**Chinese:** Native

**English:** CET-6 Score 495
